Agenda 5:15 Meet and Greet of Potential Future Board Candidates

Topic	Minutes
➤ Call to order / roll call	Time / Date 6:05 pm Roll call attendance taken
➤ Approval of current agenda	Vote to approve current agenda - Motion made to approve the current agenda made by Faraz Sharafi 2nd motion- Danielle Strachman Roll Call Vote: Stephen, Faraz, Danielle, Julia Aye: 4 No: 0 Abstain: 0
➤ Approval of prior month meeting minutes <ul style="list-style-type: none"> ○ 9/23/23 	Faraz noted that the minutes are inaccurate from 9/8/23. Currently they state that . Faraz abstained because he was in attendance but it should say that he was NOT in attendance. Vote to approve past minutes - 1st motion- To approve modified minutes Danielle 2nd motion- Julia Roll Call Vote: Stephen, Faraz, Danielle, Julia Ayes: 4 No: 0 Abstain: 0
➤ Public comments (3 mins per person)	no public comments

<p>➤ Discussion/Presentation Item: Stephen has been working on a security analysis. There will be a security presentation (see board packet)</p>	<p>Security Presentation and Discussion Stephen took it upon himself to look at security options. He presented Ray Downs and Bob Anderson. They presented their proposal based on their review of the building. PDI and PACE have jointly written this proposal. They broke it down into several component parts. This proposal contains cameras and possible intercoms. There are 4 phases: 1-in building 2- outside of building 3-far outside the building 4- intercom system Bob listed projects in schools and churches and with city councils that their company has completed. It was stated that Ray’s company would install the equipment and Bob’s company would do the wiring. The installation would be done in four phases. Ray shared about the history of their company. Some characteristics they felt important: quality image, access to footage quickly. The board asked questions about storage, cost of storage, camera capabilities and cost of equipment (see the proposal).</p>
<p>➤ Action item: Financial Report and Vote Josh Eng, Business Manager, CSMC 1.Approval of 2023-24 1st Interim Budget Revision 2.Approval of 2023-24 1st Interim Report</p>	<p>Report by Josh Eng, CSMC Business Manager <u>Interim Budget Revision-</u> Discussion: Joshua reviewed the narrative in the packet with the board. He noted the main issue is with the variance is that our ADA has shifted. We have a large loss. Josh reviewed the main categories: staffing increases due to higher special education needs, lower ADA, The board and director discussed considering a marketing and retention plan. <ul style="list-style-type: none"> ➤ Motion to Approve the 23-24 Interim Budget Revision ➤ 1st motion - Danielle ➤ 2nd motion - Faraz ➤ Roll call vote: Stephen, Danielle, Faraz, Julia <p>Aye; 4 No: 0 Abstain: 0 <u>Interim Report-</u> Discussion: This report goes to the district, gives them an FYI and lets them know that the board is reviewing the budget and updating it.</p> </p>

	<p>This vote approves the revision and acknowledging that this is how the school is doing.</p> <ul style="list-style-type: none"> ➤ Motion to approve the interim report ➤ 1st motion - Stephen ➤ 2nd motion - Faraz ➤ Roll Call Vote: Stephen, Danielle, Julia, Faraz <p>Aye: 4 No: 0 Abstain: 0</p>
<p>➤ Action item: New parent board member introduction and approval. Jennifer Williams, parent of 2 IA students (1st&5th grades) will be presented to the board as the committee selected parent candidate.</p>	<p><u>Parent Board Member Selection-</u> Discussion and Vote: Stephen presented the process that was explored to select Jennifer who had a bad experience in PUSD where there weren't enrichment classes at all. In 2020 they switched to IA. She has been happy with her children at IA. She has a 1st grade and 5th grader. Faraz asked Jennifer what she sees that she brings to the school. Jennifer responded that she has a legal background. Her legal work is to support financial institutions. She has supported credit unions, setting up foundations so they can give back to the community. She sat on a board for a nonprofit. Faraz shared his experience as parent board member.. Vote: Motion to approve Jennifer Williams to join the IA board.</p> <ul style="list-style-type: none"> ➤ 1st motion - Danielle ➤ 2nd motion - Faraz <p>Roll call vote; Stephen, Danielle, Faraz, Julia Aye: 4 No: 0 Abstain: 0</p>
<p>➤ Action Item: Auditor Selection 2023-2026 The board will review proposals from Christy White, Wilkenson Hadley and King, Baker Tilly</p>	<p><u>Auditor Selection-</u> Discussion: Board discussed the high price from BT, the benefits of the cost and staying with our current auditors. Vote: Moves to renew Wilkenson Hadley King</p> <ul style="list-style-type: none"> ➤ 1st motion - Stephen ➤ 2nd motion - Danielle <p>Roll call vote: Stephen, Danielle, Faraz, Julia, Jennifer Aye: 5 No: 0 Abstain: 0</p>
<p>➤ Action Item: Approve 22-23 Audit</p>	<p><u>Prior Year Audit Approval-</u> Discussion: Motion to approve the audit draft contingent on no changes to the audit. Made by</p>

<p>The board is tasked with approving the final audit and it is submitted by December 15th. (see packet)</p>	<p>Faraz Vote:</p> <ul style="list-style-type: none"> ➤ 1st motion - Faraz ➤ 2nd motion Stephen ➤ Roll call vote in favor: Stephen, Julia, Jennifer, Faraz, Danielle <p>Aye: 5 No: 0 Abstain: 0</p>
<p>➤ Action Item: Employee Handbook Update and Revision Due to updated legislation SB616, these changes to our sick, vacation and personal days are proposed and need approval</p>	<p><u>Change to Sick Leave Policy per SB616-</u> Discussion: Director explained the changes in the law. Motion to table PTO pending legal review and approval of 5 sick days.</p> <ul style="list-style-type: none"> ➤ 1st motion - Jennifer ➤ 2nd motion - Stephen ➤ Roll call vote: Stephen, Julia, Jennifer, Faraz, Danielle <p>Aye: 5 No: 0 Abstain: 0</p>
<p>➤ Director Report Follow up on the exploration of a local facility purchase.</p>	<p>Director Report Christine shared that she had looked at a property up the block. She had had several conversations with the broker and twice had taken a contractor to inspect the property. The idea was to move the HLC classes or enrichment classes to the new building to open up room in the main building. The contractor advised that there was a lot of work and signs that poor construction would take more money than the building was worth the investment. Christine has decided not to pursue the building based on the inspections..</p>
<p>Employee Retention Credit (ERC) Update Stephen will provide an update to the Innovations Academy ERC submission</p>	<p>Update Stephen described the ERC. Stephen reached out to the company that filed our ERC. There has since been a freeze put on the ERC because there had been abuse by some businesses. IA will continue to wait and inform the board if the situation changes.</p>
<p>➤ Director Report</p> <ul style="list-style-type: none"> ➤ Follow up on the exploration of a local facility purchase.Meeting Addition Schedule ➤ Midyear LCAP update <p>The CDE now requires a mid year LCAP update to be approved by February 28th.</p>	<p>Discussion This was a redundant agenda item. It was previously discussed.</p> <p>The board was informed that we need to set a new meeting to present the midyear LCAP report. The board discussed and selected February 27, 2024 at 6 pm.</p>

Christine is requesting a short meeting be added mid February	
➤ Next board meeting	
○ Confirm date of next meeting	6 pm, Tues Feb 27th
○ Identify agenda items for next meeting	Possible Items -Review the complaint procedures -ask legal team is there any leeway to board members attending via telephonically -Feb- discuss cameras and security -final audit not in draft form? Mention was made to consider that google hub might be a more affordable intercom replacement
Meeting adjourned	meeting adjourned at 8:09 pm

 - The Brown Act prohibits requiring members of the public, to provide their names as a condition of attendance at the meeting; however, those wishing to speak may be required to identify themselves.

**Innovations Academy
Board Narrative
February 27, 2024**

Approval of 2nd Interim Report

The 2nd interim is a report sent to the district to show them your latest budget as well as what your actual data is from the period of July 2023 to January 31, 2024. Please see the attached labeled “FY2023-24 Second Interim Report – Innovations”.

This report shows the district primarily two things:

1) That the school is still using the last board approved budget on 12/12/2023, this budgets for a net loss/deficit for the 2023-24 fiscal year of ~<\$551K>. See “E. NET INCREASE (DECREASE) IN FUND BALANCE/NET POSITION” and Column E “Total Budget”.

2) The school as of Jan 31, 2024, was running at a deficit of <~\$465K>, which would still be inline with the budget if the school hits respective budgeted numbers and ADA of 412. See “E. NET INCREASE (DECREASE) IN FUND BALANCE/NET POSITION” and Column F “Total Actuals through 01/31/24”.

CHARTER SCHOOL MARKET RESEARCH AND GENERAL INFORMATION

IA faces several challenges in establishing the highest student retention possible along with attracting new students in order to educate at capacity. IA has both classroom and home school options and the value of each needs to be communicated to the general community to create not only brand awareness, but, establish a clear differentiator providing several options for parents to provide for their K-8 students. As such, multiple strategies need to be employed outside of the “normal” marketing for classroom only education and analytics managed and monitored to assure maximum impact and success.

IA is competing, in this decreasing enrollment trend for students with:

- SDUSD promoting their local community schools
- 35 other SDUSD Charter Schools
- Other San Diego County Charter Schools
- San Diego private schools

all who are marketing their program(s). It’s a very competitive landscape that requires continued effort, campaigns, and marketing strategies to avoid losses of students resulting in operational deficits.

It should be noted that the cost of this proposal is less than hiring a single Director of Marketing as a fulltime employee which does not include any of the implementation of the marketing material and collateral and would still require additional costs for collateral, operations, and analysis.

As a final note, during the SDUSD Charter review, attended by Stephen Rosen, the question was asked about the most important issue for IA and ADA was suggested to top the list (followed by teacher retention and turnover). **SDUSD noted that most all other 35 Charter schools either out-source their marketing to professionals or have hired full-time staff internally to provide the marketing services.**

Calculating an annual marketing budget can be difficult but several organizations have suggested various budgets based on school student population. For the purpose of this analysis, I will focus on schools with greater than 400 students as that is the most relevant to IA

Per AI:

General budget ranges:

While specific figures are elusive, here's a general range based on enrollment size and industry benchmarks:

- **Small schools (under 200 students): \$20,000-\$50,000**
 - **Large schools (over 400 students): \$80,000-\$150,000 or more**
-

FROM Kreativewebworks:

Think of enrollments as currency. If you reinvest the funds from one or two enrollments, and parley them into 7 or 8 enrollments, I'd consider that a good investment.

Resist the temptation to equate your current rate of student enrollment with what you are likely to get with an aggressive integrated marketing strategy.

Stop thinking of enrollment marketing as an expense, and start thinking of it as investment. A well-run strategic marketing plan should more than pay for itself with additional enrollments that you would otherwise not have had.

Marketing is an integral part of every organization, including K-12 private schools. The primary objective of marketing is to increase the school's visibility, attract prospective students and parents, and enhance its reputation. However, executing a successful marketing campaign is not easy, mainly due to restricted resources. Therefore, creating a well-thought-out marketing budget is essential for K-12 private schools to execute their marketing plans effectively.

From Hubspot - Budget Real Number Calculation

According to [HubSpot](#), the general rule of thumb for a marketing budget in a business-to-consumer market is typically between 5-10% of your goal annual revenue. Translating that to a private school budget, your total marketing budget should be 5-10% of the total amount of tuition revenue you want to collect. If your goal for next year is 100 students and your average annual tuition per student is \$6,500, your total marketing budget should be between \$32,500 and \$65,000.

NAIS Research: 2021 State of Independent School Marketing Survey **By Joe Corbett and Margaret Anne Rowe** **NAIS Research Analysts**

Nearly two-thirds of responding independent schools reported having a dedicated, centralized marketing team, while 29% have a single person in charge of marketing. More than half have an overarching communications department that handles marketing, and two-thirds of chief marketers report directly to the head of school. Virtually all marketing teams surveyed run advertising, school websites, public relations, and publications. To handle all of this, the typical independent school employs three or fewer full-time staff with marketing responsibilities, although the number of staff increases with school size and department budget. Forty-two percent of all schools have annual marketing budgets of more than \$85,000, while an additional 18% have budgets over \$55,000. Just over half of respondents believe their head of school views digital marketing as "very important" and an additional 35% believe he or she views it as "important."

Sixty-one percent of schools had completed a brand positioning project within the past five years, and 92% had developed messaging that reflected their brand. A majority of schools attributed parent loyalty to their people (75%), reputation (72%), and different or unique programs (58%). They felt that they were differentiated from their competitors by culture (87%), faculty and staff (76%), and offerings (64%).

Marketing Proposal to Boost Retention and Increase Average Daily Attendance at Innovations Academy

February 12, 2024

Campaign Goal

As a charter school dedicated to providing exceptional education and fostering a supportive, project-based learning environment, it's imperative to continuously engage with current parents and students and attract new ones. This proposal outlines a comprehensive and ongoing marketing campaign aimed at maintaining retention rates, increasing average daily attendance and create community brand awareness for Innovations Academy.

Key Performance Indicator: To increase student retention to maintain annual ADA's and improve daily attendance rates at Innovations Academy by 5% or greater within the next academic year.

Target Audience

Current K-8 students, families, and the local community interested in alternative education options specifically related to social, emotional, and project-based learning and empathetic and caring treatment of IEP students.

Key Challenges

- Identifying causes of recent low retention and attendance (Specifically in the middle school grades)
- Communicating effectively with diverse families and backgrounds.
- Standing out from other educational options in the community.
- Creating San Diego County brand awareness for both classroom and home school learning options

Strategies, Process & Tactics

1. Market Research
 - a. Objective: Understand the needs, preferences, and decision-making processes of the target audience.
 - b. Methodology: Surveys and Focus Groups: Conduct surveys and focus groups among current families, potential families, and faculty.
 - c. Competitor Analysis: Analyze competitive/similar K-8 options that parents have and identify unique selling points (USPs) and areas for improvement for Innovations Academy. This would include SDUSD community schools in the IA area.
2. Branding and Positioning
 - a. Objective: Position Innovations Academy as the leading choice for alternative education in San Diego.
 - b. Actions:
 - i. Brand Messaging: Develop clear, empathetic messaging that highlights the academy's strengths in project-based learning and IEP student care.
 - ii. Visual Branding: Evolve the academy's visual branding to reflect its innovative, caring approach to education.
 - iii. USP Communication: Clearly communicate the academy's unique selling points in all marketing materials.

3. Digital Marketing Strategy
 - a. Objective: Increase online visibility and engagement with target audiences.
 - b. Actions:
 - i. Website Optimization: Ensure the academy's website is user-friendly, mobile-optimized, and SEO-optimized for relevant keywords.
 - ii. Content Marketing: Produce and share engaging content (blog posts, videos, infographics) that highlights student projects, success stories, and educational philosophies.
 - iii. Social Media Campaigns: Utilize platforms like Facebook and Instagram, to reach families, faculty and community members, focusing on interactive and informative posts.
 - iv. Email Marketing: Develop regular communications of key events and activities to keep current and prospective families informed and engaged.
4. Community Engagement and Events
 - a. Objective: Strengthen the school's presence and reputation in the local community.
 - b. Actions:
 - i. Open Houses and Workshops: Host events that allow prospective students and their families to experience the academy's approach firsthand.
 - ii. Partnerships: Collaborate with local businesses, non-profits, and educational institutions to broaden outreach and support.
 - iii. Public Relations: Leverage local media and educational blogs to share news, achievements, and events.
5. Retention Strategies
 - a. Objective: Enhance student and family understanding and satisfaction to improve retention rates.
 - i. Actions:
 1. Feedback Mechanisms: Implement regular feedback surveys for students and families to identify areas for improvement.
 2. Student Success Programs: Develop programs and support systems for students, especially those with IEPs, to ensure their success and well-being.
 3. Family Engagement: Increase opportunities for family involvement in school activities and decision-making processes.
6. Measurement and Analysis
 - a. Objective: Track the effectiveness of marketing strategies and adapt as needed.
 - i. Actions:
 1. Regular monthly assessment of the campaign's effectiveness will be conducted through metrics such as retention rates, attendance records, enrollment numbers, and feedback from students, parents, and staff. Adjustments and refinements will be made based on the collected data to ensure maximum impact and success.
 2. Feedback Loops: Use data and feedback to continuously refine marketing strategies and tactics.

Campaign Budget:

- Allocate resources based on specific strategies and activities.
- Explore potential partnerships and sponsorships to offset costs.
- Measure return on investment by analyzing the impact on retention and attendance rates.
- Campaign budget for the term of this agreement: \$6,000 per month in order to facilitate all Campaign Strategies and KPI's as outlined herein
- Upon approval a formal Agreement will be drafted to outline these activities/deliverables and T&C's.

Timeline:

- Implement the campaign effective March 1, 2024 through July 1, 2025 (the following new academic year) for maximum impact. Campaign will auto renew unless 30 days notice provided prior to July 1, 2025
- Develop a phased approach with clear milestones and deadlines with associated KPI's
- Regularly review and adjust the campaign based on ongoing data and feedback from stakeholders

Expected Outcome:

- Increased student retention and daily attendance rates within the target timeframe. Increase current ADA by FIVE (5) percent
- Improved communication and engagement with students, families, and the community.
- Enhanced brand awareness and positive perception of the school.

Conclusion:

This marketing campaign proposal provides a framework for addressing the retention and attendance and community brand awareness challenges at Innovations Academy. By focusing on engagement, highlighting unique value propositions, offering incentives, creating brand awareness through multiple channels of social and community communications and promoting community involvement, the school can create a financially stable positive and supportive environment that fosters student success and loyalty.

About AIM

AIM, established in 1997, stands out as a beacon of excellence in the marketing sphere, having forged a reputation for building and elevating brands across a myriad of industries. The agency's vast experience, evidenced by its impressive portfolio of collaborations with globally recognized corporations such as Sony Electronics, Intuit, Johnson & Johnson, Merck, Abbott Laboratories, Coca-Cola, and Pepsi International, and others underlines its capability to navigate complex market dynamics and deliver results that resonate on a global scale. The diversity of AIM's clientele showcases the agency's versatility and its adeptness at tailoring strategies to meet the unique needs and objectives of each client, regardless of their industry or market position.

Jeff Symon, co-founder of AIM (<https://www.linkedin.com/in/jeffsymon2020/>), brings a nuanced and invaluable perspective to the table, particularly in the context of Innovations Academy's goals. His tenure as the Marketing Chair on the Board of Trustees for the Rancho Santa Fe Education Foundation from 2013 to 2016 has imbued him with a profound understanding of the San Diego public educational landscape. This experience is particularly pertinent, as it provides AIM with insider knowledge of the challenges and opportunities within the local education sector, enabling the formulation of highly effective, targeted marketing strategies for educational institutions like Innovations Academy.

Symon's hands-on experience in the educational system, combined with AIM's broad and successful marketing legacy, positions them uniquely as the ideal marketing partner for Innovations Academy. Their deep-rooted understanding of both the commercial and educational spheres enables them to bridge the gap between traditional marketing approaches and the

specific, nuanced needs of educational institutions. This dual expertise ensures that marketing strategies are not only innovative and effective but also aligned with the educational values and objectives of Innovations Academy.

The agency's proven track record of fostering growth and enhancing brand visibility for its clients makes it a formidable ally in Innovations Academy's mission to increase student retention, average daily attendance, and overall student population growth. AIM's strategic approach, centered on data-driven insights, creative storytelling, and engaging community initiatives, is tailor-made to highlight Innovations Academy's unique approach to education, emphasizing its commitment to social, emotional, and project-based learning, as well as its supportive environment for students with IEPs.

In summary, AIM, under the experienced guidance of Jeff Symon, offers Innovations Academy a comprehensive marketing solution that combines global brand-building prowess with localized educational system insights. This blend of expertise and experience makes AIM the quintessential choice to drive Innovations Academy's growth objectives, ensuring that its message reaches and resonates with the right audience, thereby securing the institution's place as a leader in alternative education within the San Diego community and beyond.

Monitoring Goals, Actions, and Resources for the 2023-24 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2023-24 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

3.4	<p>Facility Improvements 2021-22 We will install playground structures on both kindergarten and upper grade playgrounds and will supply our gym with a variety of athletic materials. 2022-23 We will install a playground structure for kindergarten and another on our upper grade playground and will supply our gym and play spaces with a variety of athletic and exploratory materials. 2023-24 We will complete installation of two play structures and will supply our gym and play spaces with a variety of athletic and exploratory materials. We will define play space and plant space via fencing and replenish the plants on our nature based playground.</p>	No	Fully Implemented	All materials have been purchased. The playground has two compliant play structures in place. New fencing has been added to protect plants on our nature based playground.		\$50,000.00	\$6933.83
3.5	<p>Field study 2021-22 IA will continue to supplement payment from parents to allow all students access to field trips and guest speakers. 2022-23 We will make sure 100% of our students have the opportunity to engage in field trip experiences and guest speakers that enrich their knowledge and skills.</p>	Yes		<p>7/9 grade levels are on target to meet the 1 field trip per month goal. 50 different field trip locations have been visited. A bus and bus driver are available for field trip transportation.</p> <p>The expenditures in this category are for paying</p>	Field trip locations are too numerous for this space. All students are welcomed on the field trip, and in fact, are expected to go as field trip learning is incorporated	\$48,000.00	\$59687.76

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	2023-24 We will make sure 100% of our students have the opportunity to engage in field trip experiences and guest speakers that enrich their knowledge and skills.			for students to attend field trips. Parent chaperones that drive on field trips have the ability to request reimbursement for gasoline.	into the academic plan.		

Goal 4

Goal Description
Provide ongoing analysis, accountability and intervention support for chronically absent and tardy students and their families.
State Priority 5: Pupil Engagement (Engagement)

Expected Annual Measurable Objectives

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
Percentage of students attending 96% of school days	60% of our students attended 96% or more of school days in the 19-20 school year	92% of our students attended 96% or more of school days in the 20-21 school year	ADA - 94.6%	P-1 ADA 23-24 is 96.5%	75% of our students attended 96% or more of school days
Percentage of staff attending 96% of school days	100% of our staff attended 96% or more school days	100% of our staff attended 96% or more school days	72% of staff attended 96% or more of school days.	72% of staff attended 96% or more school days.	100% of our staff attended 96% or more school days
Percentage of students who are chronically absent (defined as missing 10%)	5 of our 355 students (1.4%) were chronically absent in the 2019-2020 school year	8 of 440 students (1.8%) were chronically absent in the 2020-2021 school year	5.3% of the students were chronically absent in the 2021-22 school year.	7% of students were chronically absent in the first part of the 23-24 school year.	We will have less than 3 students chronically absent

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
4.1	<p>Absence Phone Calls 2021-22 We will contact the family of any absent student on a daily basis. This was a practice developed to check for COVID symptoms that would be beneficial to continue. These calls help us understand why students are absent, that they can log online for instruction, and engage in quick troubleshooting if any problems are present. The cost associated with this may include salaries for additional office staff needed to track the data and implement this plan. 2022-23 We will contact the family of any student who has been absent for 3 or more days and has not alerted the school of the reason for their absence. 2023-24 We will continue to contact the family of any student who has been absent for 3 or more days and has not informed the school of the reason for their absence. A phone calling system to help with this process will be considered.</p>	No	Partially Implemented	<p>We have contacted 100% of families with chronically absent students. Meetings (telephonic and in person) have been held the parents of 11 of the students. Our ADA is higher than the two previous years, though not as high as pre-pandemic.</p>	<p>We followed a parent suggestion to post the attendance out front for the previous day. We have supported parents with carpools when they are struggling with transportation</p>	\$4,500.00	\$5331.89
4.2	<p>Family Meetings 2021-22 The school director will set up problem-solving meetings with any student that reaches 5 absences in the first semester; 7 absences in the second semester to provide education about impacts of absences on students. We will</p>	Yes	Partially Implemented	<p>We have contacted 100% of families with chronically absent students. Meetings (telephonic and in person) have</p>	<p>We followed a parent suggestion from our advisory meeting to post the attendance out front for the previous day.</p>	\$23,200.00	\$0

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	<p>especially focus on EL students, foster youth, those eligible for free and reduced lunch, and those with low academic performance. The cost associated with this may include salaries for staff needed to track this data and for the director to hold additional meetings. 2022-23 same action</p> <p>2023-24 Same actions, although a shift may be made to more phone calls instead of visits, since those seemed to get a similar response. The additional attendance support from staff will allow increased outreach. Additionally, other ideas for encouraging students and parents to be accountable for and committed to, attendance will be investigated.</p>			<p>been held the parents of 11 of the students.</p> <p>100% of families of excessively absent students have received letters with information and support for improvement.</p>			
4.3	<p>Schedule reminders 2021-22 Weekly parent communications from the director will remind families that vacations should be taken during designated breaks & the overall value of children being present in school. The cost associated with this may include our subscription to Parent Square which enables the director to send weekly communications efficiently. 2022-23 Parent communications from the director will remind families that vacations should be taken during designated breaks & the overall value of children being</p>	No	Partially Implemented	<p>No software has been purchased to aid in attendance monitoring beyond our Student Information System (Powerschool).</p> <p>In depth attendance messages on the weekly communication have been included in messages sent on August 13, September 3, October 8 and December 31.</p>		\$3,000.00	\$7084.77

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	<p>present in school. The cost associated with this may include our subscription to Parent Square which enables the director to send communications efficiently.</p> <p>2023-24 Parent communications from the director will remind families that vacations should be taken during designated breaks & the overall value of children being present in school. The cost associated with this includes our subscription to Parent Square which enables whole school and targeted communication with families. We will consider the purchase of software that facilitates attendance counting and parent communication about specific number of absences as well as required meetings due to those absences. Additionally, other ideas for encouraging students and parents to be accountable for and committed to, attendance will be investigated.</p>			<p>Reminders about the importance of attendance have been sent within 100% of weekly communications to parents.</p> <p>Attendance was addressed at the Parent Advisory meeting on Jan 24</p> <p>Letters were sent directly to all parents with excessive absences during the week of Jan 7-Jan 14.</p>			

Goal 5

Goal Description

Provide multiple engagement opportunities for parents through effective communication tools, parent participation opportunities and parent education.

State Priority 3: Parental Involvement (Engagement)

Expected Annual Measurable Objectives

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
Percentage of parents/guardians participating in our social-emotional survey	84.8% of students' parents completed our fall 2020 social-emotional survey	N/A in 21-22 school year	NA		95% of students' parents will complete our fall social-emotional survey
Number of school trainings for parents on academic and social emotional initiatives	Due to distance learning and the impact of COVID, all parents had the opportunity to attend 8 academic trainings and 7 social emotional trainings in the 2020-2021 school year.	Our school counselor offered 15 SPACE sessions to parents of students with anxiety during the 21-22 school year. The school offered 7 academic workshops throughout the year.	2 sets of 10 sessions each were offered to parents of students with anxiety during the 22-23 school year for the S.P.A.C.E. program A Positive Discipline workshop was offered with scholarships during the 22-23 school year.	A parent education seminar was included as part of our Parent Advisory meeting in which 10 different options were offered to parents for sessions pertaining to IA philosophy and curriculum and open to 100% of IA families. Babysitting was free.	Provide a minimum of 15 workshops annually
Parent connection meetings	8 parent connection meetings were held in the 20-21 school year	9 parent connection meetings were held in the 21-22 school year	7 parent connection meetings were offered during the 22-23 school year. The Parent Connection also offered a weeklong series of events for screen free week 3/13-3/17	5 Parent Connections meetings are scheduled for this school year remotely. 5 meetings are scheduled this year in person. They take place every other month.	10 parent connection meetings held per year

	<p>including events and surveys for parents about their concerns and areas of need to guide the topics of parent education, barriers to parents for engaging in parent education and other school activities. Education opportunities will be made available for parents to better understand the philosophy of I.A., We will include events to support community building and learning. SEL strategies, and other school programs. Parent activities offered during 23-24 will reflect that feedback. Special invitations will go to families eligible for free and reduced lunch, those with EL students, and those with low academic performance. The cost associated with this may include extra time spent by IA staff, education seminar costs, guest speaker costs, documentary rental costs, materials costs.</p>			<p>invited to an Exhibition of student work on January 11th.</p> <p>A Family Math night was held on 9/21.</p> <p>A student theater performance took place 12/7-12/9.</p> <p>We held an October Carnival on 10/27.</p> <p>Extensive social emotional curriculum Informational messages were included in 5 weekly parent communications between 8/27 and 10/1.</p>			

Innovations Academy
2022–23 School Accountability Report Card
Reported Using Data from the 2022–23 School
Year
California Department of Education

Address:	5454 Ruffin Rd. San Diego, CA , 92123- 1313	Principal:	Christine Kuglen, Director
Phone:	(858) 271-1414	Grade	K-8
		Span:	

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023–24)

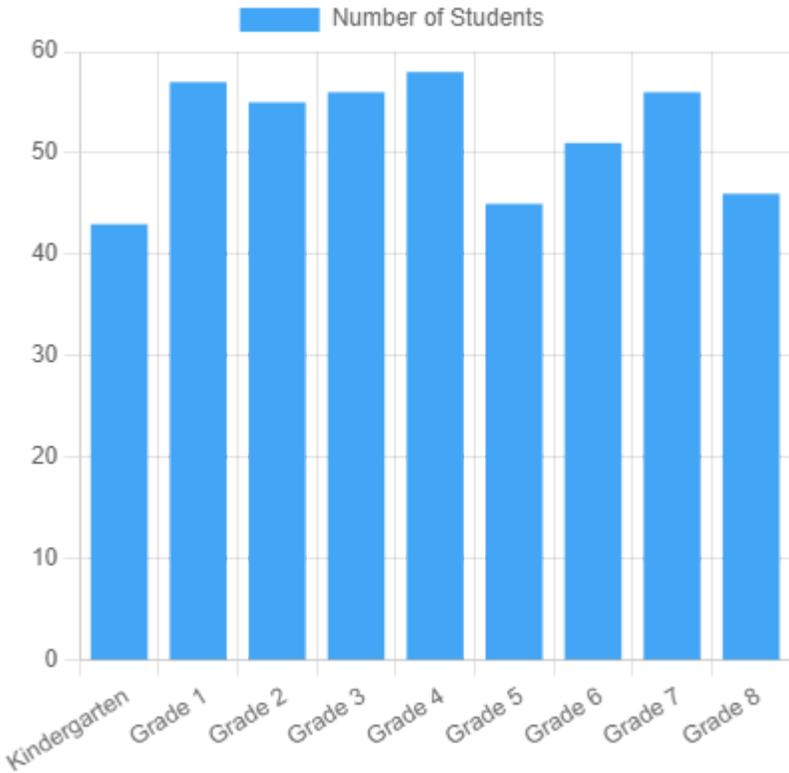

At Innovations Academy we powerfully create our lives through self-expression, compassionate connection, and purposeful learning.

Through implementation of our mission, Innovations students feel cared for in a big way. And through this caring, students feel encouraged to explore and learn. Academic excellence is achieved when children are supported to question and search for answers. We inspire and support all of the members of our community in living this mission.

Student Enrollment by Grade Level (School Year 2022–23)

Grade Level	Number of Students
Kindergarten	43
Grade 1	57
Grade 2	55
Grade 3	56
Grade 4	58
Grade 5	45
Grade 6	51
Grade 7	56
Grade 8	46
Total Enrollment	467

Last updated: 2/21/24

Student Enrollment by Student Group (School Year 2022–23)

Student Group	Percent of Total Enrollment
Female	44.30%
Male	55.50%
Non-Binary	0.20%
American Indian or Alaska Native	0.40%
Asian	6.40%
Black or African American	2.80%
Filipino	1.30%
Hispanic or Latino	23.10%
Native Hawaiian or Pacific Islander	0.40%
Two or More Races	12.60%
White	49.30%

Student Group (Other)	Percent of Total Enrollment
English Learners	3.90%
Foster Youth	0.20%
Homeless	0.00%
Migrant	0.00%
Socioeconomically Disadvantaged	19.90%
Students with Disabilities	18.40%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	17.70	70.99%	5313.50	88.64%	228366.10	83.12%
Intern Credential Holders Properly Assigned	3.00	12.00%	51.00	0.85%	4205.90	1.53%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	1.00	4.00%	191.10	3.19%	11216.70	4.08%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	1.70	7.00%	194.90	3.25%	12115.80	4.41%
Unknown/Incomplete/NA	1.50	6.00%	243.90	4.07%	18854.30	6.86%
Total Teaching Positions	24.90	100.00%	5994.60	100.00%	274759.10	100.00%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Last updated: 2/21/24

Teacher Preparation and Placement (School Year 2021–22)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	17.00	77.27%	5336.60	88.47%	234405.20	84.00%
Intern Credential Holders Properly Assigned	1.00	4.55%	66.90	1.11%	4853.00	1.74%
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	3.00	13.64%	219.20	3.64%	12001.50	4.30%
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.00	0.00%	219.20	3.63%	11953.10	4.28%
Unknown/Incomplete/NA	1.00	4.55%	189.70	3.15%	15831.90	5.67%
Total Teaching Positions	22.00	100.00%	6031.80	100.00%	279044.80	100.00%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2023–24)

Year and month in which the data were collected: August 2023

Since Innovations Academy is an inquiry and project-based school, we do not use textbooks for language arts, science, performing arts, foreign language or social studies. For math, we use Beast Academy, Pearson's CMP3, and Everyday Math.

We also incorporate computer based learning, such as ST Math, Zingy Science, Big Brainz, and Raz Kids.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Patterns of power No red ink Reading Reconsidered Touchstones/Touchpebbles Reading Eggs Reading A-Z Raz Kids Quill	Yes	0
Mathematics	Illustrative Math Beast Academy Marcy Cook Thinkers ST Math	Yes	0
Science	Mystery Science Know Atom	Yes	0
History-Social Science	History Alive	Yes	0
Foreign Language			0

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Health			0
Visual and Performing Arts			0
Science Lab Eqpmt (Grades 9-12)	N/A	N/A	0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

Good repair

Last updated: 2/21/24

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 2022

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

Overall Facility Rate

Year and month of the most recent FIT report: 2022

Overall Rating	Exemplary

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven taking and completed state-
administered assessment
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2021– 22	School 2022– 23	District 2021– 22	District 2022– 23	State 2021– 22	State 2022– 23
English Language Arts / Literacy (grades 3-8 and 11)	68%	69%	51%	52%	47%	46%
Mathematics (grades 3-8 and 11)	55%	58%	39%	40%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Last updated: 2/21/24

**CAASPP Test Results in ELA by Student Group for students taking and completed
state-administered assessment
Grades Three through Eight and Grade Eleven (School Year 2022–23)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	299	293	97.99%	2.01%	69.28%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

?The IA Parent Connection (inclusive of all parents and guardians of students) works to connect all parents to each other and to the school, to enhance our children’s social, emotional, and educational experiences, and to raise funds for supplemental educational materials and experiences. We offer families social interaction opportunities, and support teacher, parent, and administrative communications.

Some other ways you can get involved:

Volunteering in the classroom or office

Assisting with classroom fundraising

Coordinating a class field trip

Coordinating a Class Guest Speaker

supporting production in after school performing arts

Gardening volunteer

Parking Lot Safety

Campus Safety

Welcoming Director

?

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

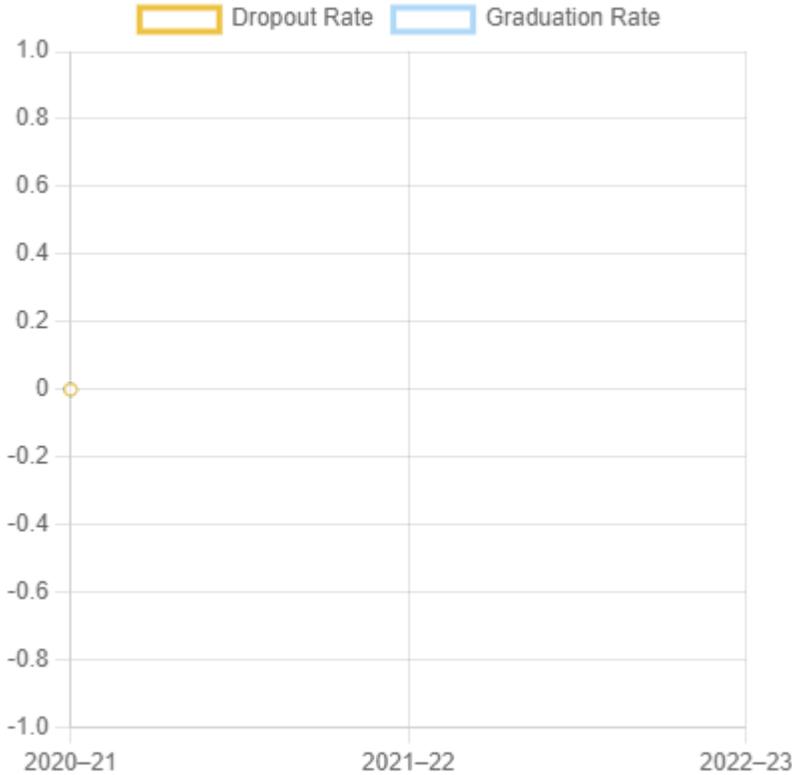

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Comprehensive School Safety Plan Purpose

Effective January 1, 2019, Assembly Bill 1747 (Rodriguez), School Safety Plans, became law. This bill requires that during the writing and development of the comprehensive school safety plan (CSSP), the school site council or safety committee consult with a fire department and other first responder entities in addition to currently required entities. It requires the CSSP and any updates made to the plan to be shared with the law enforcement agency, the fire department, and the other first responder entities.

The California Education Code (sections 32280-32288) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

In 2004, the Legislature and Governor recast and renumbered the Comprehensive School Safety Plan provisions in SB 719 and AB 115. It is the intent of the Legislature in enacting the provisions to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses.

The historical requirement of the Comprehensive School Safety Plan was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause that stated that this legislation would remain in effect only until January 1, 2000. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.

Comprehensive School Safety Plans are required under SB 719 & AB 115 and contains the following elements:

Assessment of school crime committed on school campuses and at school-related functions

- Child abuse reporting procedures

- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Discrimination and harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Hate crime reporting procedures

The Comprehensive School Safety Plan will be reviewed and updated by March 1st every year. In July of every year, the school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.

A copy of the Comprehensive School Safety Plan is available for review at the front office, 5454 Ruffin Rd., San Diego, Ca. 92123.

Safety Plan Vision

(A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)

All staff members are mandated reporters and are required, by law, to report all known or suspected cases of child abuse or neglect. It is not the job of the mandated reporter to determine whether the allegations are valid. If child abuse or neglect is reasonably suspected or if a pupil shares information with a mandated reporter leading him/her to believe abuse or neglect has taken place, the report must be made. No supervisor or administrator can impede or inhibit a report or subject the reporting person to any sanction.

To make a report, an employee must contact Child Protective Services. This legal obligation is not satisfied by making a report of the incident to a supervisor or to the school.

First, the mandated reporter will complete form SS8572 which can be found here (http://ag.ca.gov/childabuse/pdf/ss_8572.pdf) The report should be made before the close of the day over the telephone and must be followed up in writing. If a report cannot be made immediately over the telephone, then an initial report may be made via e-mail or fax. A report should also be made at the same time with the school director and/or school counselor.

Per Assembly Bill 1432 (D-Gatto), all employees of Innovations Academy will be trained on what they need to know in order to identify and report suspected cases of child abuse and neglect. For this purpose, all employees are required to take the online California Child Abuse Mandated Reporter Training (<http://educators.mandatedreporterca.com/>). Proof of completion of the course must be given to office staff prior to the commencement of the school year or if an employee starts midyear by the end of the first week of employment.

Rights to Confidentiality and Immunity Mandated reporters are required to give their names when making a report. However, the reporter's identity is kept confidential. Reports of suspected child abuse are also confidential. Mandated reporters have immunity from state criminal or civil liability for reporting as

required. This is true even if the mandated reporter acquired the knowledge, or suspicion of the abuse or neglect, outside his/her professional capacity or scope of employment.

Consequences of Failing to Report Staff should be aware that a person who fails to make a required report is guilty of a misdemeanor punishable by up to six months in jail and/or up to a \$1,000 fine (California Penal Code Section 11166[c]).

After the Report is Made Child Protective Services is required to investigate all reports. Cases may also be investigated by Child Welfare Services when allegations involve abuse or neglect within families.

(B) Disaster Procedures (EC 35295-35297; GC 8607 and 3100)

Public Agency Use of School Buildings for Emergency Shelters

During an emergency, if Innovations Academy is selected as an emergency shelter, all staff and parents/caregivers/guardians will be notified and informed as to procedures.

Disaster Service Workers

Section 3100 of the California Government Code states that public employees are disaster service workers who are subject to the disaster service activities assigned to them by their superiors or by law. The term public employees includes all personnel employed by State of California agencies, California county and city agencies, and public districts. Innovations Academy employees are designated as disaster service workers. Section 3100 of the California Government Code applies to public school employees for cases in which:

- 1. A local emergency has been proclaimed.**
- 2. A State of Emergency has been proclaimed.**

3. A Federal disaster declaration has been made.

Situational Communication Plans

- 911 Calls
- When placing a 911 call: give your name, school name and school address
 - Give specific location of shooter, intruder, fire, hazardous material or other emergency
 - Indicate location of incident command post

During an emergency:

Mass Notification of
Parents

•
After an emergency:

Disaster Plan (See Appendix C-F)

Incident Command System

Emergency Disaster Kit This site maintains 3 kits. The kit(s) are located: Front Office, room 200.

The Emergency Disaster Kit stores necessary resources for a site incident command. This kit will be brought to the Command Post and will be used by the Commander. This kit should not be confused with the First Aid Kit or the Student Release Kit. These kits can both be found with the Emergency Disaster Kit. School personnel should use the items contained within the kit to manage their incident command. The following equipment and supplies are stored inside the Emergency Disaster Kit:

- Handheld Air Horns – recommend a minimum of five
- Bull Horn – recommend a minimum of one
- Batteries – recommend a minimum of two sets for bull horn, flashlights, emergency radios and walkie talkies
- Flashlights – recommend one per Site Incident Command Team member (15)
- Emergency radio (for Site Commander)
- Walkie Talkies – recommend a minimum of six (Site Incident Commander & Leaders)
- Duct Tape – recommend a minimum of two rolls used for marking blank vests.
- Rosters - recommend a minimum of one set per room sorted by alphabet

- Pencils & Pens - recommend one each per Site Incident Command Team member (34)
- Chalk - recommend twenty-five sticks, red in color
- Medical Team Supplies –
 - Roster
 - First aid kit
 - Water bottles
 - Blankets
- Clipboards
- Vests for Key Personnel – recommend a total of 15 for Site Incident Command Team members
- Student Release Supplies
 - Student Roster
 - Clipboard

The Emergency Disaster Kit and its contents are the responsibility of the Site Incident Commander. The Site Incident Commander will conduct annual inspections of the kits in October of each year and maintain the responsibility to inspect and replace non-operating equipment and supplies each year.

Emergency Response Boxes This site maintains 1 Emergency Response Box for the Site Incident Command Team.

The Emergency Response Box is located in the Main Office near: Director's Office.

The Emergency Response Box is a file folder type box. The box is clearly labeled and contains vital information needed by the Site Incident Command Team. The following information is stored inside the box:

- Current copy of the Site Emergency Response Plan which should include site evacuation procedures, including staging locations. Also included should be an aerial photo including all new structures, electric, gas, water cable, telephone, intrusion and fire alarm shutoffs, classroom numbers, gate openings for vehicles/pedestrians and all fire hydrants that have been added to accommodate these new structures.
- Current map of site or school layout. Map must show all buildings, classroom numbers, and evacuation routes. · Most current blueprints (architectural drawings).
- Current roster of students and staff assigned to the site, as well as issues pertaining to special needs students. These rosters will be in alphabetical order for staff and students. Student roster must be in alphabetical order, divided by grade level and have emergency contact/release information.

- A list of the site's staff skills including language translation, specialized training, and emergency equipment carried in vehicles.
- If available, current student photos on CD-ROM or most recent yearbook.
- Telephone numbers listed in numerical order for each classroom/building.

Maintenance of the Emergency Response Box and its contents is the responsibility of the Site Incident Commander. The responsibility to inspect and replace information belongs to the Site Commander.

Persons with Disabilities In emergencies, persons with disabilities may need special assistance in evacuating to the designated location. Each Site Incident Commander is responsible for pre-identification of persons with disabilities who may need assistance and assigning staff to assist them. Persons with disabilities or other staff who may need special assistance in an evacuation situation are responsible for ensuring that their Department Head is aware of their needs for assistance. Because of the volume of foot traffic that can be expected through stairways and corridors in a building during an evacuation, there must be an area of rescue assistance established aside from the main flow of foot traffic. Such an area must be clearly marked so disabled individuals know where to go for refuge in a critical time. Proper signage for this area is "Area of Rescue Assistance." Evacuation maps will articulate this information.

Return to Facility The Site Incident Commander, in consultation with the Public Safety Incident Commander if necessary, will determine when individuals can return to the facility. In the event that staff or students must be released early, the Site Incident Commander must request approval from the Office of the Director. School Police Services should be advised of this information.

Site Shelter-In-Place Procedure Shelter-In-Place generally occurs when evacuating the site is more dangerous than taking shelter inside a building. This generally occurs during natural disasters, severe weather conditions, or health hazards. The following procedure applies to this site. Additional information pertaining to Shelter-in-Place is available in Innovations Academy Emergency Procedures (confidential).

Comprehensive School Safety Plan 5 of 24 10/14/21

Notification

The Site Incident Commander is responsible to notify the Site Incident Command Team when a Shelter-In-Place is necessary. School Police Services, in coordination with the Site Incident Commander is responsible for activating the Shelter-In-Place notification procedures for site-level personnel. If the primary emergency notification system fails to activate, the secondary

notification method will be handheld air horns found in the Emergency Disaster Kit.

Activation & Deactivation Quickly direct students and staff inside to the nearest room; do a verbal and visual sweep as you get everyone inside. Shut all doors and windows leading into the room, including interior doors. Doors may be opened for late arrivals if the exterior environment is safe. Take student attendance and report missing or extra students or adults to the office by radio, telephone or email. For environmental emergencies, immediately shut off the air conditioning/heating system, try to seal air vents and gaps under doors and around windows. Monitor your local radio, T.V. or e-mail for updates. Remain in Shelter-in-Place until the "All Clear" notification is given.

Return to Facility The Site Incident Commander, in consultation with the Public Safety Incident Commander if necessary, will determine when individuals can return to the facility. In the event that staff or students must be released early, the Site Incident Commander must request approval from the Director. School Police Services should be advised of this information.

Site Lockdown Procedure A lockdown is the act of confining students and personnel in a secured location until an emergency or threat (e.g., police activity) is over. You may be required to lockdown your room or facility when a dangerous person or situation is present on or near the site. Additional information pertaining to Lockdown is available in Innovations Academy Emergency Procedures (confidential).

Notification

The Site Incident Commander is responsible to notify the Site Incident Command Team when a lockdown is necessary. School Police Services, in coordination with the Site Incident Commander is responsible for activating the Lockdown notification procedures for site- level personnel.

If the primary emergency notification system fails to activate, the secondary notification method will be handheld air horns found in the Emergency Disaster Kit.

Activation & Deactivation Quickly gather students and personnel to the nearest room; do a verbal and visual sweep as you gather everyone inside. Lock all doors and windows, including any interior doors. Close all window coverings to prevent anyone from seeing inside your room. Keep away from doors and windows, be quiet. Take attendance and quietly radio, telephone, or e-mail information pertaining to missing or extra students or adults to the office. If safe to do so, monitor email for updates. If you hear gunfire or if someone tries to enter your room, have everyone "Duck, Cover, and Hold" under desks. Do not open doors or windows. Remain in lockdown until the "All Clear" notification is given.

Return to Facility The Site Incident Commander, in consultation with the Public Safety Incident Commander if necessary, will determine when individuals can return to the facility. In the event that staff or students must be released early,

the Site Incident Commander must request approval from the Office of the Superintendent. School Police Services should be advised of this information.

(C) School Suspension, Expulsion and Mandatory Expulsion Guidelines

Suspension/Expulsion Procedures

At Innovations Academy we pride ourselves in our Character Development program that includes children in the conflict resolution process. Most incidents at school will be handled inside the classroom through peer to peer conflict resolution, teacher to student discussion and problem solving or through the class council conflict resolution procedure. However, when a situation reaches the level of needing intervention from the Director, an evaluation is made as to if a suspension or expulsion is recommended. This section is designed to inform all parents of suspension/expulsion procedures and due process.

Innovations Academy staff shall enforce disciplinary rules and procedures fairly and consistently among all students. Discipline includes but is not limited to advising and counseling students, conferring with parents/guardians, detention during and after school hours, use of alternative educational environments, suspension and expulsion.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property. Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom Innovations Academy has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities in Education Act ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education students except when federal and state law mandates additional or different procedures.

Innovations Academy will follow Section 504, the IDEA, and all applicable federal and state laws including but not limited to the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom Innovations Academy has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students. Within ten school days, the school will assemble an IEP team to make a manifestation determination as to whether the disciplinary behavior was the result of the student's disability. Should the student remain on suspension for an extended period, the school will work with the district to provide an interim alternative educational setting. Innovations Academy shall notify the District of the

suspension of any student identified under the IDEIA (or for whom there may be a basis of knowledge of the same) or as a student with a disability under Section 504 and would grant the District approval rights prior to the expulsion of any such student as well.

1. Grounds for Suspension and Expulsion of Students

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at Innovations Academy or at any other school or an Innovations Academy sponsored event at any time including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; d) during, going to, or coming from a school- sponsored activity.

2. Enumerated Offenses

Students may be suspended or expelled for any of the following acts when it is determined the pupil:

- a. Caused, attempted to cause, or threatened to cause physical injury to another person or willfully used force of violence upon the person of another, except self-defense.
- b. Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object unless, in the case of possession of any object of this type, the students had obtained written permission to possess the item from a certificated school employee, with the Director or designee's concurrence.
- c. Unlawfully possessed, used, sold or otherwise furnished, or was under the influence of any controlled substance, as defined in Health and Safety Code 11053-11058, alcoholic beverage, or intoxicant of any kind.
- d. Unlawfully offered, arranged, or negotiated to sell any controlled substance as defined in Health and Safety Code 11053-11058, alcoholic beverage or intoxicant of any kind, and then sold, delivered or otherwise furnished to any person another liquid substance or material and represented same as controlled substance, alcoholic beverage or intoxicant.
- e. Committed or attempted to commit robbery or extortion.
- f. Caused or attempted to cause damage to school property or private property.
- g. Stole or attempted to steal school property or private property.
- h. Possessed or used tobacco or any products containing tobacco or nicotine products, including but not limited to cigars, cigarettes, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel.
- i. Committed an obscene act or engaged in habitual profanity or vulgarity.
- j. Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Health and Safety Code 11014.5.

k. Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel engaged in the performance of their duties.

l. Knowingly received stolen school property or private property.

m. Possessed an imitation firearm, i.e.: a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.

n. Committed or attempted to commit a sexual assault as defined in Penal Code 261, 266c, 286, 288, 288a or 289, or committed a sexual battery as defined in Penal Code 243.4.

o. Harassed, threatened, or intimidated a student who is a complaining witness or witness in a school disciplinary proceeding for the purpose of preventing that student from being a witness and/or retaliating against that student for being a witness.

p. Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.

q. Engaged in or attempted to engage in hazing of another.

r. Aiding or abetting as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person.

s. Made terrorist threats against school officials and/or school property.

t. Committed sexual harassment.

u. Caused, attempted to cause, threatened to cause, or participated in an act of hate violence.

v. Intentionally harassed, threatened or intimidated a student or group of students to the extent of having the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder and invading student rights by creating an intimidating or hostile educational environment. Threatened or attempted to cause harm to a teacher or other staff member.

Alternatives to suspension or expulsion will first be attempted with students who are truant, tardy, or otherwise absent from assigned school activities.

Whether a student is given suspension or expulsion will be determined by prior record, intent and severity and determined by the Director. A recommendation for expulsion will be taken to the Board for approval prior to the expulsion being levied.

3. Suspension shall be initiated according to the following procedures:

a. Who May Suspend

Only the Director (Principal) or the Director's designee may suspend a student.

b. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Director or the Director's designee with the student and his or her parent and,

whenever practical, the teacher, supervisor or school employee who referred the student to the Director. The conference may be omitted if the Director or designee determines that an emergency situation exists.

An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense.

This conference shall be held within two school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization.

No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

c. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

d. Suspension Time Limits/Recommendation for Placement/Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension.

Upon a recommendation of placement/expulsion by the Director or Director's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. This determination will be made by the Director or designee upon either of the following determinations: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

4. Authority to Expel

A student may be expelled either by the Innovations Academy Board following a hearing before it or by the Board upon the recommendation of an

Administrative Panel to be assigned by the Board as needed. The Administrative Panel should consist of at least three members who are certificated and either a teacher of the pupil or a Board member of the School's governing board. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense.

5. Expulsion Procedures

Only the Director or the Director's designee may recommend expulsion of a student or refer a student for an expulsion hearing. Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty school days after the Director or designee determines that the Pupil has committed an expellable offense.

In the event an administrative panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session unless the pupil makes a written request for a public hearing three days prior to the hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil.

The notice shall include:

- a. The date and place of the expulsion hearing;**
- b. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;**
- c. A copy of the School's disciplinary rules which relate to the alleged violation;**
- d. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment;**
- e. The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non- attorney advisor;**
- f. The right to inspect and obtain copies of all documents to be used at the hearing;**
- g. The opportunity to confront and question all witnesses who testify at the hearing;**
- h. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.**

6. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

Innovations Academy may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of

psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the school or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

a. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days notice of his/her scheduled testimony,

(b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

b. Innovations Academy must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.

c. At the discretion of the person or panel conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.

d. The person conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.

e. The person conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.

f. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The person conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.

g. If one or both of the support persons is also a witness, Innovations Academy must present evidence that the witness' presence is both desired by the witness and will be helpful to the School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

h. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.

i. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

j. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

7. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

8. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay and sworn declarations may be admitted as testimony from witnesses of whom the Board, Panel or designee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be made based on findings of facts in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The

final decision by the Board shall be based on the written findings of facts and shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the expulsion hearing panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

Independent study is an alternative to classroom instruction. Students who are excluded from classroom instruction in a school district—who have been suspended or expelled—are thereby excluded from independent study as well. No ADA credit may be claimed for either classroom attendance or independent study by suspended/expelled students during the duration of their suspensions/expulsions. Students whose expulsions are being held in abeyance pursuant to Education Code Section 48917 and who have been referred to specified settings in lieu of expulsion, pursuant to that section may generate ADA credit through independent study only if they are also given at least one classroom instruction option.

9. Written Notice to Expel

The Director or designee following a decision of the Innovations Academy Charter School Board to expel shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

- a. Notice of the specific offense committed by the student
- b. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the school.

The Director or designee shall send a copy of the written notice of the decision to expel to the District. This notice shall include the following:

- a) The student's name
- b) The specific expellable offense committed by the student

Additionally, in accordance with Education Code Section 47605(d)(3), upon expulsion of any student, Innovations Academy shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of

the cumulative record of the pupil, including a transcript of grades or report card and health information. 10. Disciplinary Records

Innovations Academy shall maintain records of all student suspensions and expulsions at the school. Such records shall be made available to the District upon request.

11. No Right to Appeal

The pupil shall have no right of appeal from expulsion from Innovations Academy as the Charter School Board's decision to expel shall be final.

12. Expelled Pupils/Alternative Education

Pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence.

13. Rehabilitation Plans

Students who are expelled from Innovations Academy shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to the school for readmission.

14. Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Innovations Academy Board following a meeting with the Director and the pupil and guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Director shall make a recommendation to the Innovations Academy Board following the meeting regarding his or her determination.

The pupil's readmission is also contingent upon the Innovations Academy's capacity at the time the student seeks readmission.

(D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of the reason(s) a student has been suspended. Innovations Academy has incorporated this notification into the existing "Attendance Reporting Screen." On the daily attendance report, when a student is suspended, it will show an "*" next to the student's name. The teacher can access the suspension by reading the suspension report in the front office. This information is for the student's current teachers only. All information regarding suspension or expulsion is CONFIDENTIAL, and is not to be shared with any student(s) or parent(s).

Pursuant to Welfare and Institution Code 827(b) and Education Code 48267, the Court notifies the director of Innovations Academy regarding students who have engaged in certain criminal conduct. This information is forwarded to the director. The director is responsible for prompt notification of the student's teachers. Per Education Code 49079, this information must be kept confidential. This information is also forwarded to all administrators and the student's counselor.

(E) Sexual Harassment Policies (EC 212.6 [b])

It is the objective of Innovations Academy to provide a working environment free from discrimination and conduct commonly referred to as sexual harassment.

The E.E.O.C. (Equal Employment Opportunity Commission) has provided a broad definition of sexual harassment. It is general in nature and may not always be clear when evaluating everyday situations.

“Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when

submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment, submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual, or such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment.”

Sexual harassment refers to behavior inappropriate in the workplace because it is offensive, unwelcome behavior which would not occur but for the gender of the offended person. Both sexual harassment, and accusations of sexual harassment, are disrupting to the work environment.

If you or a co-worker experience what you believe to be sexual harassment or accusations of sexual harassment, report it promptly to the Director.

Innovations Academy will investigate any employee, regardless of job position when such allegations are made. Based on available information, Innovations Academy will take appropriate action and communicate on a need-to-know basis. Appropriate disciplinary action, up to and including termination will be taken against any individual for sexual harassment charges determined to be valid.

(F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)

Innovations Academy believes that socially responsible behavior is crucial to improving and maintaining a climate of respect. Dress and grooming should not interfere with the educational process. School clothing should be neat, clean, maintain adequate coverage, be appropriate for school activities, and follow standards of common decency (no profanity, nondiscriminatory, sexually explicit clothing, etc.).

Footwear: Please wear or bring to school closed-toe athletic shoes for outdoor activities during P.E. The scheduling of P.E. can be unpredictable and classes often play active outdoor games. Please plan accordingly.

(G) Procedure for Safe Ingress and Egress of Pupils, Parents, and Staff to and from School (EC 35294.2) Drop off in the morning begins a maximum of 30 minutes before start time (8:30 a.m.). Children must enter the school campus through the turnaround area gate. Once on campus all students are to remain on site. The gates are closed and locked at 8:30. All students arriving after 8:30 must sign in at the front office.

Pick up for Kindergarten starts at 2:15 on Tuesday-Friday. Parents/Guardians/Caregivers will meet their child at the classroom. In order to pick up a student, written permission needs to be given to our front office.

The front office will communicate with teachers regarding permissions for pick up.

Pick up begins for 1st-8th at 3:00 dismissal for a 30 minute duration (until 3:30 p.m. T-Fri). Parents have the responsibility and authority to decide how their child is picked up. If a parent chooses for their child to walk home or walk across the street or walk to the parking lot or park, they must communicate this with their child. If a parent wishes for the teacher to be aware of the plan, they must communicate this with the teacher. We encourage parents to come into the classroom at least one time per week to pick up their child(ren) if conditions allow. This fosters communication between parents/care- givers and teachers and allows parents to see student work.

Any child, K-5, going home with another family for a play date must have a signed note to be given to their teacher that day or earlier or their guardian(s) must have notified the office. Ride coordination can take up quite a bit of time, please be respectful that teachers have tasks ahead of them after school gets out.

Any child remaining after pick up time has ended will be sent to the office. This is disruptive to staff time, so please plan accordingly. Supervision can not be guaranteed after 3:45 p.m.

Entrances and Exits

We have attached a remote lock to the front doors of the building so that we can remotely let parents and families enter the building to keep the entrance safely monitored.

Training staff to lock and maintain the security of the school building and grounds when not in session (e.g. not propping doors that are not being regularly used, locking up in the evening, etc.).

Posting signs that visitors sign in at the main office.

Establishing a culture in which any adults without a visitor label and any children not enrolled at the school are escorted immediately to the main office.

Creating a dismissal plan and student pick-up plan to ensure the safety of all students.

Staff is responsible for releasing students to parents, legal guardians or other persons designated by parents or legal guardians, unless formally modified by a court order served to the school. In the event that employees are uncertain of the propriety of releasing a student, they should locate or contact the Director before releasing the student.

Parent Responsibilities

Parents are responsible for ensuring the safe arrival/dismissal of their child to/ from school. This includes but is not limited to: Ensuring that

Innovations Academy has the necessary paperwork for anyone picking up the child from school. Having the parent call in or bring a signed note if the child is to go home with a friend.

Following seatbelt laws at all times.

Students biking, rollerblading, skateboarding, etc. to school must wear an appropriate helmet.

Students taking public transportation must know which route to take as well as how to walk to school from the drop off location. Visitors Policy

Innovations Academy encourages interested members of the community to visit our school. To avoid potential disruptions to learning, to provide visitors with the information they need, and for the safety of students and staff, ALL visitors should register immediately upon entering the school building.

Visitors shall sign in at the beginning of their visit, receive a visitor label, and sign out at the end of their visit. Students from other schools as well as students who have ended their school day are not to be on campus unless accompanied by parents/guardians or with the permission of the site administrator.

In registering as a visitor, the sign-in form will include spaces for the following information:

Name;

His/her purpose for entering school grounds;

Destination within the school

Time in and out

At his/her discretion, the Director, office manager or designee may also request

proof of identity

address

occupation and company affiliation

age (if less than 21); and any other information consistent with the law.

Parents and guardians visiting during the school day for any purpose other than picking up at or dropping off a child at the beginning or end of the school day as part of the normal school day schedule should also be requested to sign into the visitor log or a special log for parents. This applies to parents and guardians who are picking up a student early (e.g. for a medical reason) or dropping off a student late (e.g. tardy), as well as parents and guardians who are on campus to volunteer in their child's classroom.

However, formal visitor registration is at the discretion of the school Director or designee. VIP Visitors accompanied by any Innovations Academy management team member may be requested to register as a

visitor at the discretion of the accompanying Innovations Academy management team member.

The Director or designee may refuse to register any visitor if he or she reasonably concludes that the visitor's/outsider's presence would disrupt the school, students or employees, would result in damage to property, or would result in the distribution or use of a controlled substance.

The Director or designee may request that a visitor/outsider who has failed to register, or whose registration privileges have been denied or revoked, to promptly leave school grounds. If necessary, the Director or designee may call the local police to enforce the departure of the visitor/outsider. When a visitor/ outsider is directed to leave, the Director or designee shall inform the visitor/ outsider that if he or she reenters the school within seven (7) days, he or she will be guilty of a misdemeanor and subject to a fine and/or imprisonment.

All schools will inform parents annually about the school's policies regarding visitors/outside, and remind parents that to maximize safety and security they should also register when visiting the school.

This visitor/outsider policy is subject to the further terms and conditions contained in Innovations Academy's Registered Sex Offender Policy, set forth below.

(I) School Discipline Rules and Consequences (EC 35291 and EC 35291.5)

Innovations Academy Student Conduct Code

Conduct Code Procedures

see 2021-22 Family Handbook for information about Positive Discipline implementation at Innovations Academy

Safety Plan Appendices

Types of Emergencies & Specific Procedures

Aircraft Crash

Warning of a failing or fallen aircraft is usually by sight, sound or fire. If an aircraft falls near the school, the following actions will be taken:

- The site administrator will determine which emergency actions should be implemented. When necessary, teachers will take immediate action to ensure the safety of students if the site administrator is unable to direct emergency action.
- Students and staff must be kept at a safe distance from the aircraft, as it may explode. Move crosswind or stay up wind to avoid fumes.
- Call 911

Notify the Director.

Animal Disturbance

If a rabid or vicious animal is at or in the vicinity of the school, the Animal Control Center should be notified immediately. Teachers shall be notified of Shelter In Place. Students outside of the building will be quietly and cautiously sent into the nearest building and secured in a room behind closed doors.

Notify the Director.

Armed Assault on Campus

School Comprehensive School Safety Plans should include courses of action that will describe how students and staff can most effectively respond to an active shooter situation to minimize the loss of life, and teach and train on these practices, as deemed appropriate by the school.

Law enforcement officers may not be present when a shooting begins. The first law enforcement officers on the scene may arrive after the shooting has ended. Making sure the staff knows how to respond and instruct their students can help prevent and reduce the loss of life.

No single response fits all active shooter situations; however, making sure each individual knows his or her options for response and can react decisively will save valuable time. Depicting scenarios and considering response options in advance will assist individuals and groups in quickly selecting their best course of action.

Understandably, this is a sensitive topic. There is no single answer for what to do, but a survival mindset can increase the odds of surviving. As appropriate for your community, it may be valuable to schedule a time for an open conversation regarding this topic. Though some parents or personnel may find the conversation uncomfortable, they may also find it reassuring to know that, as a whole, their school is thinking about how best to deal with this situation.

During an active shooter situation, the natural human reaction, even if you are highly trained, is to be startled, feel fear and anxiety, and even experience initial disbelief and denial. You can expect to hear noise from alarms, gunfire and explosions, and people shouting and screaming. Training provides the means to regain your composure, recall at least some of what you have learned, and commit to action. There are three basic options: run, hide, or fight. You can run away from the shooter, seek a secure place where you can hide and/or deny the shooter access, or incapacitate the shooter to survive and protect others from harm.

As the situation develops, it is possible that students and staff will need to use more than one option. During an active shooter situation, staff will rarely have all of the information they need to make a fully informed decision about which option is best. While they should follow the plan and any instructions given during an incident, often they will have to rely on their own judgment to decide which option will best protect lives.

Respond Immediately

It is not uncommon for people confronted with a threat to first deny the possible danger rather than respond. An investigation by the National Institute of Standards and Technology (2005) into the collapse of the World Trade Center towers on September 11, 2001, found that people close to the floors impacted waited longer to start evacuating than those on unaffected floors.²¹ Similarly, during the Virginia Tech shooting, individuals on campus responded to the shooting with varying degrees of urgency.²² These studies highlight this delayed response or denial. For example, some people report hearing firecrackers when in fact they heard gunfire.

Train staff to overcome denial and to respond immediately, including fulfilling their responsibilities for individuals in their charge. For example, train staff to recognize the sounds of danger, act, and forcefully communicate the danger and necessary action (e.g., "Gun! Get out!") to those in their charge. In addition, those closest to the public address or other communications system, or otherwise able to alert others, should communicate the danger and necessary action. Repetition in training and preparedness shortens the time it takes to orient, observe, and act.

Upon recognizing the danger, as soon as it is safe to do so, staff or others must alert responders by contacting 911 with as clear and accurate information as possible.

Run

If it is safe to do so for yourself and those in your care, the first course of action that should be taken is to run out of the building and far away until you are in a safe location. Students and staff should be trained to

- Leave personal belongings behind;
- Visualize possible escape routes, including physically accessible routes for students and staff with disabilities as well as persons with access and functional needs;
- Avoid escalators and elevators;

Comprehensive School Safety Plan 20 of 24 10/14/21

- Take others with them, but not to stay behind because others will not go; Call 911 when safe to do so; and
- Let a responsible adult know where they are.

Hide

If running is not a safe option, hide in as safe a place as possible. Students and staff should be trained to hide in a location where the walls might be thicker and have fewer windows. In addition:

Lock the doors;

- Barricade the doors with heavy furniture;
- Close and lock windows and close blinds or cover windows;
- Turn off lights;

- Silence all electronic devices;
- Remain silent;
- Hide along the wall closest to the exit but out of the view from the hallway (allowing for an ambush of the shooter and for possible escape if the shooter enters the room);
- Use strategies to silently communicate with first responders if possible, for example, in rooms with exterior windows make signs to silently signal law enforcement officers and emergency responders to indicate the status of the room's occupants; and
- Remain in place until given an all clear by identifiable law enforcement officers.

Fight

If neither running nor hiding is a safe option, as a last resort when confronted by the shooter, adults in immediate danger should consider trying to disrupt or incapacitate the shooter by using aggressive force and items in their environment, such as fire extinguishers, and chairs. In a study of 41 active shooter events that ended before law enforcement officers arrived, the potential victims stopped the attacker themselves in 16 instances. In 13 of those cases they physically subdued the attacker.²³ While talking to staff about confronting a shooter may be daunting and upsetting for some, they should know that they may be able to successfully take action to save lives. To be clear, confronting an active shooter should never be a requirement in any school employee's job description; how each staff member chooses to respond if directly confronted by an active shooter is up to him or her. Further, the possibility of an active shooter situation is not justification for the presence of firearms on campus in the hands of any personnel other than law enforcement officers.

LOCKDOWN & SHELTER IN PLACE PROCEDURES

STEP 1 - GET INSIDE Direct all students and staff to go to the nearest room if caught outside.

STEP 2 - LOCK ALL DOORS Teachers and staff must lock all doors leading into the classroom or office including interior doors that connect to other rooms. Close all window coverings.

STEP 3 - DUCK & COVER Stay away from windows and doors. Instruct students to lie down on the floor.

STEP 4 - REMAIN QUIET Instruct students not to talk in order to avoid bringing attention to your room.

STEP 5 - WAIT Instruct students to stay in position until an evacuation has been announced.

STEP 6 - EVACUATE Go To your designated safety area

STEP 7 - RETURN TO CLASS Receive notification to return to class Escort students back to class.

Biological or Chemical Release

Warning of a chemical accident is usually received from fire and/or police departments or from emergency services officials when such accident occurs sufficiently near a school to be a threat to the safety of students and staff. An overturned tanker, a broken fuel line, and an accident in a commercial establishment that uses chemicals are all potential hazards. Whether the accident occurs at the school or off the school grounds, the site administrator shall determine if there is need to EVACUATE or to SHELTER-IN-PLACE. This decision will be made in coordination with offsite emergency respondents. If it is necessary to evacuate the area, move crosswind, never directly with or against the wind which may be carrying fumes. Get upwind as quickly as possible.

Earthquake

Although the probability of an earthquake occurring is lower than most other emergency types, the potential for injuries and damage from one is high. It is essential that students and staff remain aware of the following basic actions:

If an earthquake or other situation warrants, drop to the floor, take a protective position under desks or furniture with backs to windows and hands covering head and face. Stay in position until directed to evacuate or take other protective action.

If outside, move away from buildings and trees and take protective positions. When situation permits, proceed to the designated assembly point. Standby: Alert students in your area to stand by for further information. Make whatever assessment of the situation is possible. Render emergency first aid as required.

If inside, stay inside during ground shaking. In classrooms or offices, move away from windows, shelves and heavy objects or furniture that may fall. Take cover under a safe table, desk or counter. At the teacher's command, students should take the DROP position.

If a "shelter" (table, desk, etc.) is not available, move to an inside wall or corner, turn away from windows, kneel alongside the wall, and bend head close to knees, with elbows firmly behind neck protecting face.

If notebooks or jackets are handy, hold these overhead for added protection from flying glass and ceiling debris. Remain in sheltered position for at least 60 seconds or until directed to move by an adult.

If in halls, on stairways, or other areas where no cover is available, students must follow the directions of the nearest teacher or school employee.

If in the library, immediately move away from windows and bookshelves and take appropriate cover. In the science lab or shops, all burners should be extinguished (if possible) before taking cover. Stay clear of hazardous chemicals that may spill.

Comprehensive School Safety Plan 22 of 24 10/14/21

The duration of ground shaking depends on a number of factors, including the severity of the earthquake. Advise students to anticipate shorter or longer episodes of ground shaking during actual earthquakes and their aftershocks.

EARTHQUAKE HAZARDS COMMONLY FOUND IN SCHOOL BUILDINGS:

- **Glass that shatters or flies around**
- **Objects stored above head-level on shelves, walls, and ceilings (such as unused projectors, books, science equipment, boxes)**
- **Objects that block movement to safe places (books on floors, tipped desks and bookcases)**
- **Cabinets without latches**
- **Objects stored on wheels**
- **Open shelving without a lip or restraining wire**
- **Free standing cabinets**
- **Blocked exits**
- **Objects in hallways that block movement (glass, tables, locker contents)**

SETTLING DOWN AFTER THE FIRST SHOCK: After the first shock, teachers will evacuate the classrooms, being alert to the possibility of aftershocks. When leaving the classroom, teachers should make every effort to take with them the roll book and emergency supplies. Announce that no student is to return to the room unless directed to do so. Teachers will take classes to pre-arranged places on the campus.

Teachers and students will remain in designated areas until re-entry to the building has been approved or they are directed to move elsewhere.

School will remain open indefinitely until every student has been released to parents or to an authorized person. Do not light any fires after the earthquake because of possible gas leaks. If possible, notify utility companies of any break or suspected breaks in service.

The Incident Commander should procure the advice of the Director of Maintenance and Operations regarding the safety of the buildings.

The Incident Commander should keep the superintendent informed of conditions at the school. Earthquake Emergency Procedure

**STEP 1 - FEEL THE SHAKE OR HEAR A PA ANNOUNCEMENT Inform students:
"An earthquake drill has begun. It's time to drop, cover and hold on."**

STEP 2 - DROP, COVER, & HOLD ON 1st - Drop to your knees and get under a sturdy desk or table. 2nd - Clasp hands behind neck and make body as small as possible 3rd - Cover face and ears with arms

STEP 3 - EVACUATE BUILDING 1st - Listen for evacuation announcement 2nd - Evacuate building **SILENTLY** by the route illustrated on the map to designated safety area 3rd - Line up and remain **SILENT** at designated safety area 4th - Take attendance and identify absent or unaccounted for students

STEP 4 - RETURN TO CLASS Receive notification to return to class Escort students back to class.

Explosion or Risk Of Explosion

The **DROP** command is to be given immediately in the event of an explosion at the school or within a school building. If the explosion occurs within the building or threatens the building, the teacher will then implement the school evacuation plan. Assemble at the designated assembly area.

Sound the fire alarm and proceed as above for a fire.

Notify the Director.

Fire on School Grounds

Fire Drills

1. The assistant director shall notify staff as to the schedule for fire drills. Fire drills will take place at least four times every school year. (Education Code 32001)

2. Whenever a fire drill is held, all students, teachers and other employees shall be directed to leave the building. (5 CCR 550) 3.

Teachers shall ascertain that no student remains in the building.

4. Teachers shall be prepared to select alternate exits and shall direct their classes to these exits whenever the designated escape route is blocked.

5. The assistant director or designee shall keep a record of each fire drill conducted.

Fires

When a fire is discovered in any part of the school, the following actions shall be taken:

1. The assistant director or designee shall sound fire signals, unless the school and/or building is equipped with an automatic fire detection and alarm system. (Education Code 32001)

2. The assistant director or designee shall call 911.

3. All persons shall be directed to leave the building and shall proceed outside to designated assembly areas. 4. Staff shall give students clear direction and supervision and help maintain a calm and orderly response. 5. In outside assembly areas, teachers shall take roll, report missing students, and provide assistance to any injured students. 6. In outside assembly areas, the principal,

designee and/or each department head shall account for their staff, report missing staff, and provide assistance to any injured staff.

7. If the fire is extensive, students shall be taken to an alternate location for protective custody until parents/guardians can pick them up or until they can be safely transported to their homes.

FIRE EVACUATION PROCEDURES

STEP 1 - HEAR FIRE ALARM / PA ANNOUNCEMENT / SMELL SMOKE OR FEEL HEAT

STEP 2 - EVACUATE BUILDING

1st - Line up to evacuate building

2nd - Evacuate building by designated map route

3rd - Line up in the location designated on map

4th - Take attendance and identify absent or unaccounted for students

STEP 3 RETURN TO CLASS

Receive notification to return to class and escort your students back to your classroom.

NOTE: STUDENTS WHO ARE OUTSIDE OF THE CLASSROOM MUST FOLLOW THE ADULT THEY ARE WITH OR JOIN THE CLASS THEY ARE NEAREST AND NOTIFY THAT TEACHER OF THEIR PRESENCE (I.E. THEY ARE IN THE BATHROOM)

Last updated: 2/21/24

D. Other SARC information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary) (School Year 2020–21)

Types of Services Funded (Fiscal Year 2022–23)

Explorations Program: has a variety of arts and sciences that all students get to engage in throughout the year including: ceramics/sculpture, 2-D art, performing arts, STEM, nature studies and Spanish.

Physical Education: Teaching children the rules and skills of a variety of sports and how to play a game.

Social Emotional Learning: Innovations Academy has created our own social emotional program that involves the principles of Positive Discipline and elements of restorative practice and non-violent communication.

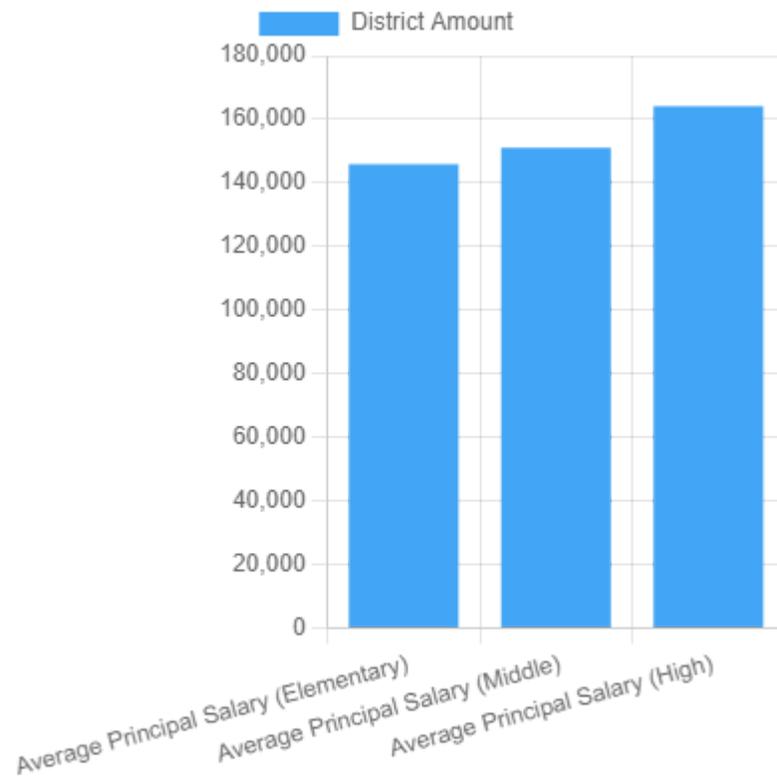

Project Based Learning: Our students learn through a variety of constructivist methods including project based learning and hands on inquiry.

Professional Development

At Innovations Academy, we consider professional development as ongoing throughout the year via weekly staff meetings, grade level team collaborations, professional development work days, and educational workshops. These sessions focus on constructivism, inquiry, project development, academic content, assessment, differentiation of instruction to meet the needs of all students, classroom management and our social emotional curriculum. Additionally this year, much of our professional development centered around best practices to meet the needs of our distance learners during the pandemic.

Training happens both on campus and off site throughout the year as well. Teachers attend conferences and trainings of their choice as well as those provided for schoolwide pedagogical alignment. Additionally, an administrator observes teachers throughout the week, providing the necessary feedback teachers need to both feel supported and to experience growth and reflection in their craft. Teachers are provided time to observe each other and collaborate regularly during the school day as well as visit other schools during the school year. Our professional development focus areas include math, ELA and interactive learning.

Measure	2021– 22	2022– 23	2023– 24

Revised Proposal for Video Management Platform Engineering Design & Installation

Prepared By

Bob Anderson
President/CEO
Pacific Design & Integration, Inc.

February 21, 2024

Acceptance of this proposal constitutes agreement with the terms of confidentiality noted herein. This proposal constitutes an offer, which remains valid for a period of 30 days after the proposal submission date.

This proposal is proprietary to Pacific Design & Integration, Inc. and its clients. It is furnished and accepted in strict confidence for use in connection with any project described herein. It is to be held in strict of confidence by and between Pacific Design & Integration, Inc., its clients, their agents and employees. Distribution, photocopying, or dissemination in any way to competitors of Pacific Design & Integration, Inc. without the expressed written permission of Pacific Design & Integration, Inc. is strictly prohibited.

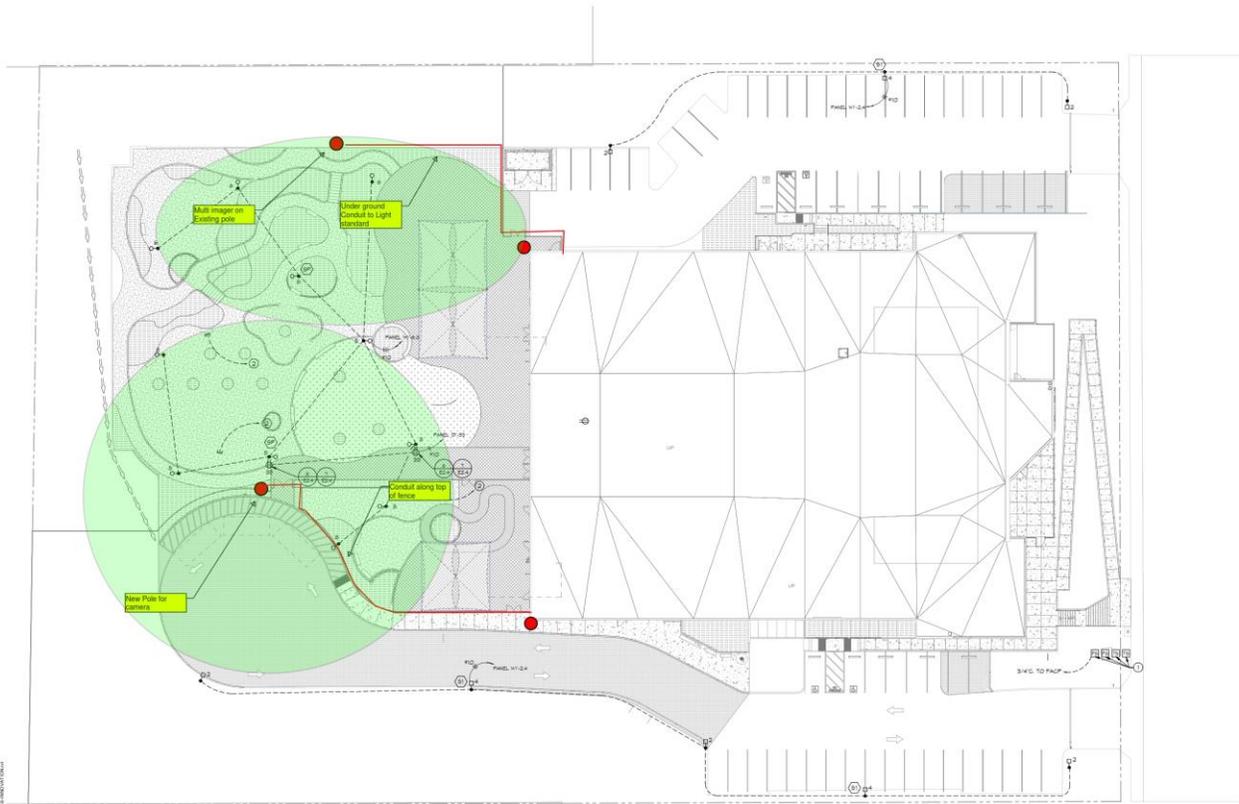

Updated Project Summary

Based on discussions held during the previous board meeting in December, we have performed a thorough review of the Security/Video Management Platform design as originally proposed. The revised project proposal still provides Innovations Academy with a state-of-the-art high quality Security Management Platform, but at a reduced cost. Three cameras have been eliminated (detailed below) and some enhanced features that are nice to have, but not necessary to the core project requirements, have been eliminated from certain cameras. If these "nice to have" camera functions are desired in the future, they can be added back in at a later date.

- **Phase 1** Includes the base server and all the needed hardware elements to operate system elements in the additional video phases. The base server includes 90 days of local video storage. Phase 1 provides for all the interior camera locations including the one (1) Exterior 360 over the main building entrance. The revised design eliminates the cameras in the Basketball Court/Gymnasium and the Theater/Auditorium. These cameras were eliminated per agreement to not include classroom facilities and these areas were considered to be classrooms. There are no subscription fees for cloud storage in this proposal.
- **Phase 2** Consists of Eight (8) complementing exterior cameras on the four building corners and over other perimeter doors. The camera layout remains the same, mounting methods have been streamlined at a reduced cost.
- **Phase 3** Consists of two (2) additional exterior cameras that will cover the back cul-de-sac and jungle gym and the North playground area. Both these camera locations will need conduit that PACE is providing. This phase remains unchanged from the original proposal. While we recommend doing Phase 3, this Phase could be done at a later time. Phase 3 must be done with Phase 1 and 2 or added later after Phases 1 and 2 are completed.
- **Phase 4** The intercom system has been removed for cost savings and value engineering.

**Updated proposal cost savings through value engineering:
\$19,730**

PRICING SUMMARY/Sales Agreement

PHASE 1 – Security camera network and monitoring for interior of the building and exterior monitoring at front entrance:

Based on system engineering for hardware, software, installation, training and ongoing support (original=\$57,874)

Cost: \$45,530.00

PHASE 2 – Exterior camera system to monitor the property surrounding facility:

Based on system engineering for hardware, software, installation, training and ongoing support (original=\$23,989)

Cost: \$23,350.00

PHASE 3 – Exterior cameras to provide coverage for the playground areas:

Based on system engineering for hardware, software, installation, training and ongoing support (original=\$29,215)

Cost: \$22,468.00

Prices do not include freight or sales tax on hardware, both will be invoiced separately at cost

Pricing Summary:

All Phases: \$91,348.00

Phases 1 and 2 only: \$68,880

Payment Terms (Net 15)

- 40% Invoiced for each approved PHASE upon execution of proposal
- 40% Invoiced for each approved PHASE when work begins
- 20% Invoiced for each approved PHASE when final as-built documentation is delivered and IA sign-off

*Please sign above if the contents of this proposal and compensation terms are acceptable. Return signed copy to PDI (a scanned PDF copy via email is OK).
A fully executed countersigned agreement will be returned to you upon receipt.*

We truly appreciate the opportunity to work with you! Thank you for choosing PDI.

Value Engineering and responses based on Board meeting questions:

We would like to thank the Board for their discussion and concerns expressed at the December Board meeting. As part of our constant value engineering process, we have reviewed the questions and concerns and respectfully present the following analysis:

1. Using consumer cameras creates a power problem. These units require either charging or a power supply so either:
 - a. They all have to be recharged (taken down, charged, and then re-connected) to recharge the batteries for approx. 30 days of operations and then done again, and again and again.
 - b. Power run to each of these cameras adding install costs as the current proposed cameras do not require additional power runs.
2. Several camera placements include multiple cameras housed in one unit and those would need to be replaced with 2,3, or 4 individual cameras to get the same coverage adding cabling and mounting and additional charging operations.
3. We believe that to obtain the same coverage, additional consumer cameras would be required. This would only exacerbate the install costs and the issues noted in #1 above, but, adding the additional cameras will complicate tracking feeds from each camera. Without a professional hardware and software platform to manage, catalogue and review camera video, it will be considerably more difficult and frustrating to perform these tasks, especially when an incident occurs and time is of the essence.
4. Local storage for 90 days has been added to eliminate the ongoing monthly expenses for cloud storage. Included in Phase 1. There are no cloud storage subscription requirements or costs in this proposal.
5. Video from current design is via wired cat 6 and replacement with consumer cameras would require Wi-Fi connectivity to each camera potentially slowing down the facilities connectivity speed and decreasing the connectivity resolution.
